Delaware Bay Launch Service, Inc.

Since our inception in 1973, Delaware Bay Launch has been owned & operated by the Rowland Family. Our commitment to providing superior service is unsurpassed, because our business reputation is also our family reputation.

Our business philosophy is simple: do one thing and do it exceptionally well. Our service is limited to waterborne transport of personnel & supplies.

Calling on our extensive experience with over 1,000,000 safe offshore personnel transfers up to 100nm offshore, Delaware Bay Launch is poised to provide our service to the Offshore Wind Farm O&M market.

Delaware Bay Launch is prepared to purchase Wind Farm O&M Vessels under your requirements for Long Term Charter.
